I COME HERE TO VALIDATE MY SOUL

'I come here to validate my soul,' she says.

*She tells me this
During an extra session on Monday morning,
Which she requested in a message
She left me Sunday night.*

*It is a rambling session,
With much laughter and some tears.*

*It seems that she ran into her soul
Over the weekend,
(As we all do from time to time)
And was afraid of losing touch with it.*

*I am honored she chose me
To help her solidify her validity.*

'I come here to validate my soul,' she says.

Me too.
